STATOTHR

Thank you for your letter of 6 March 1962 regarding the installation of a time device that would automatically set off a charge in a plane like the U-2 in connection with the seat ejector.

It was very good of you to let us know your viewpoints and to take the time to write to us on this subject.

The enclosed Congressional report on the CIA testimony regarding Mr. Powers may be of interest.

Sincerely,

/s/
